

Company Introduction By HJA Fabrications Ltd

HJA Fabrications Limited is based in Worcester, with a combined 40 years experience in the trade, It's Directors & Employees provide unrivalled technical experience on all Aluminium Fabrication, products and designs. We strive to be at the forefront of its industry through the integration and understanding of our customers requirements, along with controlled growth, investment, consistency, honesty and, above all, reliability.

Secret Fix Capping - HJA Secret Fix, is the revolutionary Wall Capping System. The all aluminium wall capping system is extensively used on all types of buildings. The unique wall capping system is custom made to almost any width.

HJA Secret Fix's well kept secret is in the system used to keep the capping securely fixed to the support brackets which are out of sight once the capping has been clip-fixed into position. **FREE SITE SURVEYS AVAILABLE ON REQUEST.**

The Secret Fix Brackets incorporate polymer weather sealing gaskets to eliminate rain water and prevent wind rattle. Designed and independently *wind tested to 144mph!* HJA Secret Fix can be supplied to meet every possible wind loading requirement here in the UK.

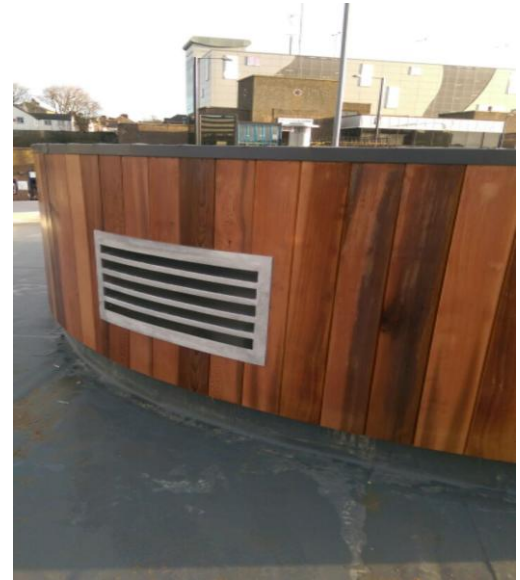

Aluminium Profile Sheets - Made to measure upto 3.5 metres in length

HJA Fabrications are pleased to have been involved in a number of big projects recently including, ASDA, Leicester, Barry and Telford. Secret Fix has been used in the **NEC Resorts, Birmingham for Lakesmere**. Many more projects are still ongoing so look out for updates!
